

DERMAPLANE -PRO™

EXPRESS DERMAPLANE FACIAL 30 MINUTES

Suggested Price: \$75-\$100+

Cost Per Treatment: \$5.48

Suggested Menu Description

Transform your complexion in just 30 minutes with this comprehensive treatment that combines professional dermaplaning with potent active ingredients. Your esthetician will gently exfoliate the skin using a professional dermaplane blade to remove dead skin cells and peach fuzz, followed by gentle fruit enzyme that softens the skin. The result is immediately smoother, brighter skin with enhanced product absorption. Perfect for a quick glow before special events or as part of your regular skincare maintenance.

Treatment Includes

- Professional dermaplaning of face and neck
- Peptide and antioxidant infusion

Supplies

- Headband
- DermaplanePro Barrier Protect Gel Cleanser
- DermaplanePro AHA/BHA Skin Prep Solution
- DermaplanePro Nourishe Dermaplaning Oil
- Theraderm NuPeel Natural Enzyme
- 2x2 Non-Woven Esthetic Wipe
- Gloves
- Goggles to cover the eyes
- DermaplanePro 10R or 10D Blade

Key Benefits

Instantly smoother texture, enhanced radiance, improved product penetration, and a visible reduction in fine lines.

- Blade Removal Box
- 1 #3 Metal Handle
- Tweezers
- Extractor
- Mirror
- Steamed Baby Face Facial Cloths
- Finishing Products: DermaplanePro BioSmart Serum, Mindful Moisturizer, Enlightened Eye Cream, Satisfaction Mist, SPF of your choice

Protocol

CLEANSE - Steam may be used during cleansing. Remove makeup and impurities with DermaplanePro Barrier Protect Gel Cleanser. Cleanse the skin twice - removing the second cleanse with a DermaplanePro Baby Face Facial Cloth.

PREP - Prep the skin using DermaplanePro AHA/BHA Skin Prep Solution on 2x2 non-woven esthetic wipe. Apply using medium pressure. This removes any remaining cleanser and makeup residue. The Willow Bark Extract (BHA) and Lactic Acid (AHA) in the prep solution will penetrate to begin the exfoliation process.

ANALYZE - Cover the eyes with dry eye pads or Sunnies Goggles. Position and turn on the magnifying lamp. Discuss skin analysis with the client. Tweeze any coarse hairs on chin.

DERMAPLANE -PRO™

EXPRESS DERMAPLANE FACIAL 30 MINUTES

Suggested Price: \$75-\$100+

Cost Per Treatment: \$5.48

Protocol (continued)

NOURISHE DERMAPLANING OIL - Apply 1 pump of Nourishe to client's face and neck. Be careful to avoid getting in the eyes. Nourishe is ok on the lips. Nourishe should be a fine film on the skin.

DERMAPLANE - Be sure to wear gloves while dermaplaning and during extractions. As you work, gently wipe the blade on gauze to remove dead skin cells and vellus hair. When you are finished dermaplaning, check for any missed areas, especially on the cheeks and upper lip.

NUPEEL ENZYME - On dry skin, apply a nickel size amount of NuPeel Natural Enzyme. Massage into the skin using light to medium pressure. The enzyme will apply like a gel and quickly liquify. After about 30 seconds, the enzyme will begin to form beads with the remaining dead skin cells that were loosened during dermaplaning. Keep massaging until the enzyme begins to lose its slip (2-3 minutes). Remove with a DermaplanePro Baby Face Facial Cloth.

EXTRACTIONS (OPTIONAL)

TONE - Apply DermaplanePro Satisfaction Mist in areas of extractions.

FINISHING PRODUCTS

BIO-SMART SERUM - Apply 1-2 pumps (approx. \$0.47 per use).

MINDFUL MOISTURIZER - Apply 1-2 pumps using gentle upward motions (approx. \$0.24 per use).

ENLIGHTENED EYE CREAM - Gently apply a small amount around the eye area (approx. \$0.48 per use).

SPF

SATISFACTION MIST- Mist to the entire face and neck as the final step (approx. \$0.06 per use).

Review post-treatment instructions and rebook your client in 4-6 weeks.
